

June 2023 Vacancies

New and exciting job opportunity at KRESTON ITH.

Our Advisory practice is growing, and we are looking to recruit a highly motivated professional to join our team.

Consultant

As part of the team and under the supervision of experienced Senior Consultants you will have the opportunity to participate in the planning and delivery of projects for a diverse portfolio of clients operating in various industries, in areas such as:

- Governance
- Risk Management
- Internal Audit
- Regulatory Compliance
- Development of strategic and Business Plans
- Organisational design and operational effectiveness

Part of your responsibilities will include:

- Planning of projects under responsibility
- Communicating with clients
- Collection and analysis of information
- Articulating and presenting findings clearly both verbally and in written reports to clients
- Participating in business development activities and the delivery of proposals to clients

What we are looking for:

- University degree in fields such as Accounting, Finance, Economics, Management, Risk, Engineering.
- 3-6 years of experience in a consulting or auditing firm or in a financial services company with exposure in the areas of internal audit, risk management and regulatory compliance.
- Holder of a Professional Qualification: ACA / ACCA / CPA / CIA would be considered as an advantage.

- A Highly motivated individual who can demonstrate agility, diversity, curiosity, and willingness for continuous learning.
- A confident individual, able to communicate in a clear and effective manner.
- Excellent knowledge of the Greek and English languages.

Benefits:

- A competitive remuneration package and other benefits will be offered based on qualifications and skills to the successful candidate.
- Support for acquiring the Certified Internal Auditor professional qualification (CIA).

Please send your application to: hr@ith.com.cy

Deadline of applications: 30 June 2023

All applications will be treated in strict confidence.
